**Barber-Stylist Program Description:**

This 1500hour program is designed to help students learn the fundamental and modern technical skills and service procedures to develop the skills needed for the science and theory of basic barber styling, to obtain employment. The program is also designed to prepare the student with knowledge of study skills, professional image, and other disciplines required for the passage of the Louisiana Board of Barber Examiners examination, through a variety of instructional techniques which include both written and practical assessments.

**Educational Mission:** The mission of Ray J's College of Hair is to provide post-secondary students with opportunities for specialized study and to instruct them in methods of independent investigation into the Arts and Sciences of hair and beauty culture with the primary goal of preparing graduates for licensure and job entry level skills.

**Instructional Methods:** Lecture, Demonstration, Interactive Student Centers, Audiovisuals, Projects, Learning Activities, Community Engagement, and other effective innovative educational methods.

**MEASURABLE PERFORMANCE OBJECTIVES:**

1. Complete required number of clock hours training.
2. Achieve and receive passing grades on all practical graduation requirements and projects, including practical and theoretical examinations.
3. Satisfactorily pass final written and practical exams.
4. Upon completion, receive a graduation certificate/diploma.
  - I. Pass state board exams and receive licensure.

**Grading Procedures:**

Students are assigned theory study and a minimum number of practical experiences. Theory is evaluated after each unit of study. Practical performance is evaluated as assigned and counted toward program completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. Students must maintain a theory grade average of 70% and pass a written final examination and teacher performance evaluation prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are assigned according to the following scale:

**Grading Scale**

A	90 – 100%	Excellent
B	80% – 90%	Very Good
C	70% – 80%	Satisfactory
F	69% and Below	Unsatisfactory
